### **COMMENCEMENT OF FRESH PROCEEDINGS INITIATED**

All disputes in the material world must of necessity have a legal resolution. In that light I have started the ball rolling. Nothing further will be published in websites or in books. A dossier will be built for court purposes, whether in a criminal court if I face charges from Kent Police. This document will be elaborated on as the defence.

This Section of the book is started on the 3 of April 2022 with an attempt to resolve the dispute of the author with the States of the World in so far as these are manifested through the United Kingdom following a 24 year long struggle to restore his reputation from all kinds of accusations levelled against him. He has decided that the dispute must have a legal resolution in the material world. This is the final resolution of the 24 year old reputational dispute between the author and the State of the United Kingdom that accused him of gross misconduct in society whereas he himself contended that he was living to the eternal law of the universe.

Establishing the truth takes priority over all material objectives, and all Police States have their secretive means of governing the population and the State. With an unwritten Constitution in the United Kingdom, the path of truth lead the author through the obstacles placed from silence of the vested interests to communications which spoke volumes but in his knowledge as it developed and the awareness that came to the existence of an eternal source of inspiration, the author was able to effectively survive in the material world with his dignity of liberty still in tact as things stood at 16.04 pm on a April 2022. He made no lasting enemies in the process but worked out the means that the Manarchial Dictatorship of the nation employs to extend the longevity of the Monarch who is celebrating her platinum jubilee this year.

Dear fellow-victims of the warped genius Doctor Woldimir Shantanu Panigrahutin,

We are a Defensive Body comprised of victims of persecution and calumny by the above and his deviant spouse, a government employee, who funded his criminality and even fostered \ encouraged it.

You may already have worked out his aim. Panigrahi, a name that means 'murky waters', sends out communications that appear as if someone is forging him. He, a troll, then protests, files complaints, and tries to extort money from those who react. By way of example, his current victimisation of the Crown, three police forces and the government legal department and other bodies. He believes he will eventually get lucky in his scams. He describes himself in half a dozen places as the Master of Escapology.

We take the liberty of writing to you because all of you are well on the way to being added to his lengthy list of private victims. A search engine finds a schedule of 1,750 of them which he published a year or two ago, but he may have published a bigger one since.

In his threatening letters to courts, other lawyers, governmental agencies and departments, quangos, private companies home and abroad, private citizens, e.t.c., making not just false but outrageously false claims that various undertakings of a concessionary nature have been made to him, for example, by Nic at Medway County Court, Judge Nic Parfitt, Omar Sagher at GLD, DJ Lightman, Mr Justice Eady, Kent Police, e.t.c., and that he is now acting under legal advice from one or other of YOU.

Yes, he unambiguously states that you are guiding him. Or misguiding him. He is then publishing these untruths, widely, with accusations of theft, collusion, betraying client confidences, and so on and so forth. Your name gets linked by SEO with that of Mr Forz Khan, an infamous counsel who collaborated with Panigrahi for a very short while, before Panigrahi implied he was a "moronic Muslim". There must a reason why Panigrahi appears on the ADL\JDL list of antisemites.

While recently maliciously reporting Mr Hodge for PMC to the SRA, of which complaint we fortuitously managed to get sight, Panigrahi copies correspondence implicating all the rest of you in a plot. He is a past-master at this, and has done it many times before.

To stop, he requires payment.

It is imperative you to take all steps to safeguard your reputations or those of your employers, unless you want to be associated for all eternity in search engines as advising a client to commit many different criminal acts. Casual readers will be unaware of the real situation.

While we take elaborate precautions to conceal our IP addresses, we acquired this email address, paying in crypto, because it is perfect. So you may communicate to us via it, and make practical suggestions, but do not assume the person who reads it and forwards it to us is a VOPA principal.

I wish you luck. You are going to need a lot of it.

We had an opportunity to crush this insect, and have him evicted after forfeiting his house to meet costs and damages, but unfortunately Ms Jessica da Costa, who heads Team 10-18, did not co-operate with VOPA's offer to appear as amicus curiae in Panigrahi's latest vexatious legal "proceedings" v. the Prime Minister/s & ors. We are seeking to rectify this, and encourage the villain's appeal against that judgment, which will give us a chance to destroy this worthless parasitical family of ingrates.

Getting him declared a vexatious litigant will solve part of the problem. Professor Roy Coker has proved a useful friend.

Legal Ombudsman

Thank you for your email

We are currently dealing with a high volume of enquiries.

If you already have a case with us, we will add your email to the file. A colleague will be in touch with you just as soon as they review your email.

If you are contacting us for the first time about a complaint, please be aware that it could be at least six weeks before you hear from us, and at that stage, we may need to ask you for more information. We thank you for your patience and would like to reassure you that our teams are working very hard to review and respond to your email as quickly as possible.

Once we have confirmed that we have all the information we need, we will write to you to let you know that we have passed your case for formal assessment by an investigator.

Please be aware that there is a considerable wait for a case to be assessed by an investigator, which varies depending on the complexity of the case. More information about the wait times will be included in the letter we send to you at the time the case is added to a queue and can also be found on our website.

If you have concerns about the wait times and feel they may detrimentally impact on you or your case, for example, because of a financial hardship or serious health concern, please let us know. Have you complained to your service provider?

We can only investigate a complaint once the service provider has had the chance to investigate it and respond. This means you need to make a formal complaint to them first. You can find further information on our website about how to complain to your service provider, including a template complaint letter.

How to complain to us

If you have already complained to your service provider and have not received a satisfactory response, then we might be able to help. The easiest way to check if we can help you is to use our complaint checker tool on our website. Alternatively, you can send us a completed complaint form, which is available to download from our website.

We will need your completed complaint form, along with a copy of your complaint to the service provider and copies of any responses you have received from them. Please only send us copies and not original documents. You should be aware that we are also unable to accept documents from an online document storage facility such as Dropbox. Do not send us any other information until we request it.

If you need to write to us, our address is:

Legal Ombudsman

PO Box 6806

Wolverhampton

WV1 9WJ

Telephone number 0300 555 0333.

We are open from 9am to 5pm from Monday to Friday. Calls may be recorded and used for training and monitoring purposes.

Have we let you know we have passed your case for assessment?

If we have already let you know your case is awaiting assessment by an investigator, you do not need to do anything further at this stage. An investigator will contact you when they start working on the complaint. Please note that you may be waiting a considerable time before your case will be passed to an investigator. The letter we have sent to you should provide you with more specific information about these timescales. We also aim update you every three months.

Supporting you in making a complaint

You can find out more about how we work and how we can help you by visiting our website ([www.legalombudsman.org.uk](http://www.legalombudsman.org.uk)). Here you will find a copy of our complaint form and information about how to complain, along with useful factsheets.

We are committed to making sure the way we work does not put you at a disadvantage so in addition to our legal duty to provide reasonable adjustments for disabled people, if you need any help or support, please tell us about it and we will do our best to meet your needs. We also understand that your circumstances might change, along with the support that you need, so please let us know at any time and we will consider your request.

MY EMAIL HASN'T BEEN RESPONDED TO

We are experiencing a high volume of emails coming in to the court. Please do not send multiple requests, as we are currently unable to deal with them. Please limit your correspondence to urgent matters only or documents for hearings.

I AM WAITING FOR A COURT ORDER/APPLICATION

We are working hard in the court office to deal with relisting hearings and urgent matters. We ask for your patience at this time. Unless your matter is considered urgent, there may be a delay in dealing with it.

#### WHAT IF I HAVE A HEARING LISTED?

In response to Covid-19 Court hearings are, where practicable, are to be conducted remotely unless directed by a judge to be face-to-face and if that is the case then you will be notified in due course. As you will appreciate, court staff are working incredibly hard to contact all the parties for all the cases. Please be advised that you will receive the invite for the hearing either the evening before or on the morning off the hearing. If you have not heard from the court please ring 0300 123 5577.

#### COUNTER

Please be aware, the counter is open for face to face appointments, which should be booked by contacting the court by telephone on 0207 947 7502.

#### APPOINTMENTS ARE STRICTLY FOR THE BELOW CRITERIA:

- Stay of Eviction (double appointment)
- Injunction (double appointment)
- 24-hour limitation on application
- Judicial intervention within 24 hours.
- Trial Bundle (if hearing is within 3 days)
- Cash payment on application (if cheque/postal order is unavailable)
- Swearing statutory declaration
- Swearing affidavits

#### ANY MATTERS WHICH FALL OUTSIDE OF THE ABOVE SHOULD BE LEFT IN THE DROPBOX

- The received date will be the day the documents were dropped

#### Emailing Bundles – documents to the court

When you email the court, if you have received this auto response then the court has received your bundle, please do not send another email checking if the court has your email.

#### Legal advice:

It may help to explain that HM Court Service staff are not legally trained and must remain strictly neutral at all times. They cannot therefore examine documents and give an opinion on their contents or upon any aspect of a case. It is the responsibility of the parties to ensure that they file the correct documents in the correct format. Court staff cannot analyse a case and tell the parties the legal implications of decisions or other circumstances. It is for you to find out the options available to you and, where necessary, seek independent legal advice. It is for you to decide what options to take and to ensure you understand the implications of that option.

The use of email in the Civil and Family Courts

From the 7 December 2015 all enquiries to civil courts and family courts can be received by email.

What documents can be sent by email?

You can send all letters and documents relevant to the case including adoption cases. However, due to the sensitive nature of adoption work the court will only send emails to secure email accounts.

Please note that court bundles are not part of this process and we will not print them. Some Local Authorities are piloting the use of Cloud-based 'E-bundle' storage solutions that allow all parties involved in a case to view and download the evidence electronically. This is different to the receipt of bundles by email. The court can not accept documents that require the setting up of an account or a password.

What is a secure email account?

An email account is considered secure when security measures are in place to make sure the data in the email can't be accessed by users without the relevant approval. Any account that ends in the following is considered secured: gsi, pnn, gsx, gcsx, gse, cjsm, and nhs.net.

What emails will HMCTS accept?

To make sure we operate this new service as efficiently and effectively as possible there are exemptions.

All Civil and Family process, applications and documents will be accepted by email as long as when the entire email is printed out it is not more than 50 pages. This should include the email, all attachments (including any documents embedded in another) and enough copies to serve on required parties (excluding Local Authorities, CAFCASS and CAFCASS CYMRU for Family cases only).

The total size of the email, including any attachments, must be less than 10mb.

Page 2

Please note that:

1. A page is one side, so 50 pages equals 25 pieces of paper printed on both sides.
2. Requests for the issue of Specified or Unspecified civil claims are excluded from this process. However, any subsequent process that leads from this following the issues of the claim will be accepted.
3. Do not use more than one email to take any step in a case which requires a document or documents to be filed.

Can processes that carry a fee be sent by email?

In both Civil and Family cases court processes that carry a fee can also be received by email and processed by court staff. However the same conditions as above must apply and in addition: the party issuing the process must either quote a Fee Account number, or a party who wants to pay has a valid credit or debit card. If you wish to pay using this method please say this on the email and include a contact number for the Court to contact you to take payment.

Please note Local Authorities are exempt from this provision.

What is Fee Account?

This is a Direct Debit function that is quick, safe and easy to use. It is available for solicitors and large organisations. Once you have set up an account all you need is to provide your fee account number within the body of the email. The fee will then be deducted from your account.

For more information and to apply for Fee Account please visit

[www.justice.gov.uk/courts/fees/payment-by-account](http://www.justice.gov.uk/courts/fees/payment-by-account)

How do I find a Courts email address?

You can find court email addresses at <https://courttribunalfinder.service.gov.uk/>

Where can I get more information?

You can contact your local County Court for more information. You can find contact details on Court and Tribunal Finder, <https://courttribunalfinder.service.gov.uk/>

Finally, we thank you for your patience at this extremely difficult time and we send our genuine best wishes to all the court users and stakeholders.

Dear Sir

I have been investigating the attached communication from West Yorkshire Police: WestYorkshirePoliceFinalisationletter.pdf in relation to the dubious proceedings started by the CCMCC: Dr S PanigrahiCourtOrderCCMCC.pdf on which the attached Court Orders were also issued: CentralLondonCountyCourtOrder 21June 2021 (District Judge Lightman).pd in relation to Central LondonCountyCourtOrderonE35YM660dated19January2021\_receivedbyClaimantat9.27am22March 2021.pdf.

The related N1 Claim Forms are also attached:  
n1-engClaimFormKentPolice.pdf; n1-ClaimFormTheresaMay(PM)c.pdf; n1-engClaimWigmoreMedicalCentre(b).pdf.

I have now been issued with a Notice from Kent Police following interrogation on 15/16 September 2021 at the Police Station and following my arrest on 24 November 2021: NorthKentPoliceReleasewithoutbail that is totally out of order and designed to obstruct justice and pervert the course of justice by Kent Police since 6 months has passed by and no further action has been taken on me as far as any offences are concerned by the Chief Constable of Kent Police'

Since a Police Force cannot investigate itself and West Yorkshire Police has the full background on the matter, I would suggest to you that the Chief Constable of West Yorkshire Police should provide me with an update on whether Kent Police has committed a chargeable crime of harassment as a Hate Crime for my religious beliefs and practices.

If this matter is not within the jurisdiction of West Yorkshire Police kindly forward it to the responsible authorities copied to me.

Yours sincerely

Dear Mr Panigrahi

I refer to your complaint concerning the actions of West Yorkshire Police. This matter has been dealt with in accordance with current police complaints legislation and has been locally resolved. From the various emails you sent and assorted documentation you have provided we have identified the following complaints:

1. You have complained that you were issued with Harassment Warning by West Yorkshire Police and you would like to complain about the actions of PC 1220 Shahid.
2. You have contacted West Yorkshire Police because you believe that the CCMCC and Medway County Court are not replying to your emails. You feel this is criminal harassment and should be recorded as such by West Yorkshire Police.

PC 126 Callaghan has given you the opportunity to engage in the local resolution process during which you were asked to agree an action plan of areas to address to give you a satisfactory outcome to your complaint. This has not been achieved and although your preference is for the matter to be investigated, your complaint shall still be suitable to be dealt with by way of local resolution as the conduct you complained of did not justify criminal or disciplinary action against the officer concerned.

Therefore the elements of your complaint which have been addressed are:

1. An explanation of why West Yorkshire Police have not recorded your allegation of Harassment against CCMCC and Medway County Court.
2. A review and explanation of the West Yorkshire Police Occurrences that refer to the allegation of Harassment made against you.
3. A review and explanation of the actions of PC 1220 Shahid when compared with relevant West Yorkshire Policy on Stalking & Harassment.

Professional Standards Department

West Yorkshire Police

PO Box 9

Tel: 101 (Ext 22114)

Email: psd.srt.east@westyorkshire.pnn.police.uk

This has been done:

1. PC Callaghan has reviewed the information that you sent to him in relation to your complaint against CCMCC and Medway County Court. Failing to respond to emails does not amount to harassment and based on the information you provided no criminal offences have been committed which is why the matter was not recorded as a crime. Furthermore even if they did constitute offences they would need to be reported to your local Police Force, not West Yorkshire Police.
2. You state that you have been reprimanded for communicating with your solicitor Ms Minneka Tahir. This matter is recorded on West Yorkshire Police systems under the references 13180304621 and 13180304634. Having reviewed the occurrences I can see that this was as a direct result of your actions towards her, which did constitute harassment.

After she made her complaint to the Police you were told to stop contacting her in an email on sent to you on 6th July 2018 by PC Shahid. PC Shahid explained the allegations made against you as well formally warning you not to make any further contact with the victim. Following this the occurrences were finalised accordingly by PC Shahid. The Occurrences were then reviewed by a supervisor and the outcome of the investigation was verified as being suitable.

3. I have considered the actions of PC Shahid and I find them to be consistent with the spirit of the West Yorkshire Police policy Stalking & Harassment. It was not practicable to provide you with a written Harassment Notice in person and the policy does not permit us to send them by post. However, as you have confirmed you have received this warning, I consider that, for the purposes of this policy, a Harassment Notice has been served on you.

This is an important determination as the Stalking & Harassment Policy also contains an appeal process which states:

Where a member of the public appeals against a Harassment Notice, the issuing officer's inspector will:

- ☐ Review the circumstances and the appropriateness of this course of action;
- ☐ Update the Niche Occurrence Enquiry Log with their rationale for supporting or rescinding the Harassment Notice;
- ☐ If appropriate, authorise the Data Management Unit to update their records; and
- ☐ Ensure the victim is notified about the outcome as soon as possible after the review has been completed.

Therefore, if you believe you have grounds to appeal your Harassment Notice and you wish do so, please contact us and we will make the required arrangements. Our email address is:

☐ [psd.srt.east@westyorkshire.pnn.police.uk](mailto:psd.srt.east@westyorkshire.pnn.police.uk)

Although this is not your desired outcome, I can confirm all actions have been met. I intend to record your complaint as having been resolved in accordance with the above procedure and the officers will be similarly advised. I regret that you felt it necessary to make a complaint and assure you that your concerns have not been treated lightly.

All complaints are taken seriously and investigated in a fair and objective manner. Thank you for bringing this matter to our attention; I hope that any future contact you may have with any Police Officer will not be adversely affected by your experience.

You have the right of appeal against my decision to locally resolve your complaint to this department. If you do wish to appeal then you should provide representation as to why your complaint should not have been locally resolved and you should submit that appeal within 29 days, from the date of this letter using the form which is available to complete at:

☐ [www.westyorkshire.police.uk/form/appealing-against-the-outcome-of](http://www.westyorkshire.police.uk/form/appealing-against-the-outcome-of)

HM Courts & Tribunals Service

Dr SHANTANU PANIGRAHI, 3 HOATH LANE, WIGMORE, GILLINGHAM, KENT ME8 0SL

Our Ref:

Your Ref:

Dear Sir/Madam,

Please be advised your Claim Form was referred to the Deputy District Judge Harvey who had the following directions:

In the matter of: Practice Direction 7EPD.2

And in the matter of: two N1 Claim Forms requested to be issued by Dr Shantanu Panigrahi of 3 Hoath Lane, Wigmore, Gillingham, Kent, ME8 0SL ('the Claimant')

#### Background

1 The Claimant has submitted to the court two N1 Claim Forms for issuing against Wigmore Medical Centre for £100,000 and against Mrs Theresa May, Prime Minister, for £3000 respectively.

2 The Claimant has also submitted an EX160 form to apply for help with court fees.

3. All forms submitted to the court are unsigned and the Claimant has refused to co-operate with the court office (HMCTS) in relation to their correspondence dated 6th August 2018.

4. Upon reference to a Deputy District Judge, it appears desirable that HMCTS take such security measures as it thinks fit under Practice Direction 7EPD.2 to control and manage any process requested by the Claimant.

#### Order of the Court's own motion without a hearing

It is ordered that:

1. The Claimant may not start any claim electronically via HMCTS website unless he complies with the requirements set out in the letter from HMCTS dated 6 August 2018 and he provides such personal information for identity purposes as is required by the Practice Direction, such information to comprise original documents such as a passport or driving license and utility bill or bank statement not older than 3 months showing the Claimant's address.

2. The Claimant is advised that the court will not enter into any email communications with the Claimant and any further communication must be by post only and relate to the requirements set out in paragraph 1 above.

3. Because this Order has been made without a hearing, the parties have the right to apply to have the Order set aside, varied or stayed. A party making such an application must send or deliver the application to the court (together with any appropriate fee) to arrive within seven days of service of this Order. If the application is one which requires a hearing, and

a) the party making the application is the Defendant; and

b) the Defendant is an individual,

then upon the filing of the application the claim will be transferred to the Defendant's home court. In all other cases requiring a hearing the claim will be transferred to the preferred court.

Yours faithfully,

DR SHANTANU PANIGRAHI 1st Claimant Ref

Before His Honour Judge Parfitt sitting at the County Court at Central London, Thomas More Building, Royal Courts of Justice, Strand, London, WC2A 2LL.

On the Court hearing the Appellant but the Appellant withdrawing from the telephone hearing after making his submission and on the Appellant's request to reconsider the permission to appeal refused by HHJ Letham by Order dated 30 September 2019

**IT IS ORDERED THAT**

1. The request to reconsider permission is refused.
2. The Appellant's application was totally without merit: the DDJ's Order was wholly appropriate as a case management order and the stated grounds of appeal that the Appellant lacked access to legal advice was hopeless and the oral argument put forward that the DDJ was a liar acting as part of a conspiracy to silence the Appellant was absurd (both in its premise and in its substance – since the order under appeal gave the Appellant a final chance to make his particulars of claim good).
3. The Respondent's application for costs of the action must be referred to a DJ pursuant to CPR 3.5 (2)(a) and the Respondent's letter dated 13 January 2021 and two cost schedules contained in the Appeal bundle (in pdf format) shall be treated as application in that respect.
4. The Respondent's costs of the appeal are to be treated as Respondent's costs in the action.

**N1 Claim Form -Mrs Theresa May**

*Claimant:*

Dr Shantanu Panigrahi, 3 Hoath Lane, Wigmore, Gillingham, Kent ME8 0SL

*Defendant:*

Mrs Theresa May, Prime Minister of the United Kingdom, 10 Downing Street, London SW1A 2AA

*Brief details of Claim:* This Claim is brought for compensation and damages suffered by me as the Claimant against the Prime Minister of the United Kingdom Mrs Theresa May for her failure in her duties to consider my defence against a vitriolic attack launched at me to her by an organisation calling itself Victims of Panigrahi Association (VOPA) but which in reality was set up to harass and intimidate me to make my life near impossible in the United Kingdom through state-sponsored criminal anonymous emails to me; and by her overseeing the state-persecution of me through the National Health Service.

This failure in conducting the Prime Minister's official government business through due diligence was indicative of her negligence, incompetence or downright malicious prejudice against me as the Claimant. She did not even acknowledge the representation that I made through an open letter at my website: <https://shantanup.wordpress.com/2018/08/26/an-open-letter-in-my-defence-to-prime-minister-of-the-united-kingdom-mrs-theresa-may/#comments>.

*Amount:*  
£3,000

*Venue:*  
Medway County Court, Chatham, Kent

*Particulars of Claim:*

VOPA is a persecutory organisation that sent me criminal anonymous emails over the past 11 months and made a representation directly to the Prime Minister at the Administrative Office of 10 Downing Street and through Ms Christine Worsley of Her Majesty's Court and Tribunal Service which represented vitriolic attacks on my character and mental disposition as a perfectly sane human being. Its actions were intended to destroy my reputation and make living in the United Kingdom a nightmare for me. This organisation's activities were state-sponsored as evidenced by the lack of Police action to my repeated appeals for the criminals to be identified and prosecuted for criminal harassment.

It is hereby alleged that the Prime Minister failed in her duties through negligence, incompetence or deliberately malicious intent (consistent to her responses to my representation to her while she was Home Secretary) to get her to outlaw VOPA as a terrorist organisation and get the Police to prosecute its secretive personnel. Further, she ignored my plea for defence consideration against these scurrilous attacks to be taken from my website <https://shantanup.wordpress.com/diary-2/> that I brought to her attention and failed to ask the Lord Chancellor to whom I had complained about the Courts not administering a lawful Hearing to hear my Case to take appropriate action on my behalf. The Prime Minister thereby obstructed justice and caused me further suffering to what I had endured over the past 19 years in the United Kingdom through the UK State's manipulation of the National Health Service to enforce mental health treatment on me when I am a simple satya-advaitist Hindu practicing truth accommodation, which is not a medical disorder requiring the anti-psychotic and anti-depressant medication that was forced upon me by the UK State. This plea she ignored because she had overseen the state-persecution as the Home Secretary once and as the Prime Minister who was now in charge.

I am therefore seeking substantial damages from Mrs Theresa May for her dismal attitude towards me. Whilst I consider that the financial reparations that I am demanding should be in the millions of pounds, I cannot afford the Court Fee for such a Claim amount and am consequently forced to apply for only £3,000 in the hope that the Judge presiding would use his or her discretion to award me the

higher amount of damages and compensation. Completing a Fee Remission Form is not appropriate because I do not have any access to my wife's financial resources and other assets.

*Particulars of Claim*

The Surgery is accused of implementing false medical diagnosis and treatment on me over 19 years: There is nothing wrong with me and I do not suffer from any kind of medical condition requiring mental health treatment. I am a satya-advaitist (truth accommodationist) which is not a medical condition requiring mental health treatment. I was therefore wrongly arrested and incarcerated in mental hospitals at the behest of Wigmore Medical Centre who compulsorily subjected me to medication of antipsychotic Risperidone and anti-depressant Sertraline.

Further, instead of considering this complaint, Wigmore Medical Centre served me a notice to deregister me from its Practice List on grounds that I had 'bombarded' the Surgery with emails that

it said had nothing to do with my medical treatment when these were complaints to my General Practitioner that I was making against the UK State's persecution of me through sending me criminal anonymous emails and subjecting me to long term medical treatment. The Surgery therefore failed to take these emailed submissions seriously which affected my mental well being further. The notice to deregister me from its Practice List was therefore totally unfair and caused me great anxiety as it damaged my reputation and caused me inconvenience.

Finally, Wigmore Medical Centre did not respond to an offer made by the UK State to me for a 'without prejudice' Quid Pro Quo settlement if I dropped this Claim against this Surgery.

Dear Nic

Thank you for this Ruling from the District Judge at Medway County Court that this Claim Form will be re-issued by the CCMCC to incorporate the proceedings of E35YM660 under the new Claim number that will be issued now to include the allegation of the Claimant that Kent Police protected Mr Boris Johnson and previous Prime Ministers in their illegal practices against me to obstruct justice and pervert the course of justice, bearing in mind the subsequent developments reported here: <https://www.theallurementofrealityinreview.com/post/cancellation-of-judge-parfitts-and-district-judge-lightman-s-orders-on-e35ym660> CANCELLATION OF JUDGE PARFITT'S AND DISTRICT JUDGE LIGHTMAN'S ORDERS ON E35YM660 (theallurementofrealityinreview.com)

Thank you also for approving my application for Fees Exemption in total for the £332.

I look forward to the Medway County Court's further directions on how this matter must progress in due course.

Dear Nic

I have been let down, over the years by nearly 50 Solicitors/Law Firms (including the Citizens Advice Bureau) as you will note from the inaction of Jonathon Hodge of Nexa Law in relation to this Injunction matter: ToJonathonHodge(NexaLaw(PropoedCivilActionagainstthePolice25Mar2022.docs. With the inaction and refund of the Consultation Fee that I Paid Slater and Gordon of £150 for the

same matter as well as adjoining criminal activities of BP in relation to the document that I brought to the attention of the District Judge at Medway County Court see (To|MedwayCountyCourt(InjunctiontoPreventKentPoliceInvestigationBP).docx and ToMedwayCountyCourt(DistrictJudgeInjunction)1Apr2022, I am unrepresented (unless these lawyers that I am copying this email to come up with better proposals) and do not wish to consult a new lawyer especially after Salmaan Islam of NorthFordsolicitors also said that he cannot help me without having to pay exorbitant sums of money for barristers and even Queens Council. I would therefore have to do the best I can myself as a layman in legal matters and so plead upon the Court to forgive me if I go wrong with the procedures of the Court while I take out this injunction with the Court's approval that you have issued here. I have roughly £1300 now in total of savings in my personal Bank Accounts, and the £1000 roughly of the occupational pension that I receive from my work for the Natural Resources Institute from 1979-1998 is entirely given over to my wife for household maintenance purposes. So please let me know if this would qualify me for Fee Exemption in total for the £332 Court Fee that you require from me and also let me know if I do need to submit N1 Claim Form at the same time.

I am a long-time observer of you and subscriber to your entertainment channel, Mr. Panigrahi.

"Is VOPA GMAIL working?" Yes, it is working. It generates non-delivery messages, as part of the set-up. But I did a test and verified someone or something is reading emails sent to it and generating responses several days later. I thought you should know this. I suspect, you already know it, and are pretending not to know it.

I have some questions about your own trolling and spoofing. Shouldn't it have been "Knight en Gail", like the French bird? John Stenhouse, was it? I remember reading years ago in your wordpress site which for some reason you shut down that you outed him as being Caine.

My other question, threatening dharmayudha - which google se says is holy blitzkrieg - of an implied physical and brutal nature against bystanders like the lipstick entrepreneur and the USDAW lady or that eccentric Sikh driver will eventually get you a prison sentence, so is this vanvaas penance what you are seeking? Please keep maintaining the comedy channel, hundreds read it. Your local police force roll around laughing at it. But I doubt you will get your equipment back, uninfected.

Started a petition on 38 Degrees: <https://you.38degrees.org.uk/petitions/who-polices-the-police-forces-in-the-united-kingdom>

To: The Home Secretary, Right Honourable Priti Patel

Who polices the Police Forces in the United Kingdom?

To resolve a 24 year old dispute of the petitioner with the Police, this is a personal petition:

<https://www.theallurementofrealityinreview.com/post/re-e35ym660-2>

The final resolution of the conflict is clearly a stalemate, for neither Kent Police can pursue me, nor can the Court of Central London pass judgment on Claim E35YM660. This is because a civil court cannot pass judgment on a criminal matter that is deposited today as reported through the documents submitted to the Court including the KentPoliceReleaseWithoutBail.pdf of which I have alleged the Kent Police has committed a crime against me, a Hate Crime for my religious beliefs and

practices. The Constitution therefore does not wish to clarify whether Kent Police itself can investigate the Civil Court of the County Court of Central London referred to West Yorkshire Police in the first instance and subsequently to Kent Police through the email that I sent the Court copied to Kent Police. Persecution in conspiracy is alleged by all the authorities in Judicial and Law Enforcement processes.

And Kent Police has been told by me that it cannot investigate itself so that if West Yorkshire Police does not do so the State is obliged to make a referral to another institution of the State which does have the powers to investigate a Police Force. The independent Office for Police Conduct has clearly said to me that it does not have those powers. The Home Office has the powers but must appoint the appropriate institution to do. The State does not wish to for it will bring my Case into the public domain something that the State has avoided over the past 24 years silencing all media. The Police and Crime Commissioner has already been approached and is silent. I have issued arrest warrants as a private citizen against the Chief Constable of Kent Police, but it did not make headway at East Kent Magistrates Court over the past year.

Whereas the author has been considering that the United Kingdom is a dictatorial Monarchy with the 'Royal Constabulary' of sorts serving Her Majesty the Queen directly and so is beyond the reach of the Home Secretary, this needs to be put to the test.

#### **Why is this important?**

It is vital that the people of the United Kingdom know how to make the Police accountable for their actions.

Dear Madam,

I have been at loggerheads with Kent Police for a decade, and have exhausted all legal avenues to bring the Police to account for harassment and obstruction of justice as well as perverting the course of justice, as narrated here: <https://www.thelibertariandemocrats.com/post/who-is-policing-the-police-in-the-united-kingdom>

Who is Policing the Police in the United Kingdom? (thelibertariandemocrats.com)

To this day Kent Police is not making up its mind as whether I have committed any offences for which I was questioned on 15/16 September 2021 and subsequently arrested and held in policy custody for 5 hours as I was working on a new job at Trgchallenge (Tesco Distribution Centre, Snodland, Kent). I lost that job. The Police took away our desktop computer, my USB Memory Stick and Mobile Phone for forensic examination. I protested my innocence and complained to the Professional Standards Department of Kent Police to which my wife also made representations. I reported the matter to the local Police and Crime Commissioner, the Independent Office for Police Conduct and the Metropolitan Police under Appeal, but no action has followed to investigate the circumstances of this gross violation of my human rights and civil rights, and the loss of dignity of myself and my family.

It would appear that just because the medical authorities consider me to be paranoid schizophrenic with persistent delusions which I deny, the Police are resting on this fact while I suffer the ignominy of gross defamation and other terroristic activities from trolls harassing me with up to 1500 criminal anonymous emails.

The Police regard themselves as a law to themselves serving the 'Royal Constabulary' directly to Her Majesty the Queen so protected from civil and criminal litigations and prosecutions from ordinary members of the public, hence my petition to you yesterday.

It would therefore appear that the Parliamentary system of democracy in the United Kingdom is nothing but a charade subservient to the Police, that is beyond the reach of even the Home Secretary..

Is it possible for a Committee in the House of Commons to examine the case that I am presenting on the basis of my 24 year old experience of studying the Constitution of the United Kingdom? I have brought this matter to the attention of my Constituency MP Mr Rehman Chishti for half a dozen years and he has not replied in any kind of substantive manner to the last depositions, and the Conservative Party that I joined terminated my participation in its policy forum for violating its rules to have these matters discussed internally within the Party.

I would be grateful for your kind attention and a reply.

Yours sincerely

Dear Sir or Madam,

Re: Our Complaint: CO/00107/22 (IT devices held by Kent Police)

I write again formally as my email to Enquiries Kent and my phone calls to Katie have not had any acknowledgement.

The latest news on my query was from Katie in Kent Police saying that the investigation is still ongoing. I am not very knowledgeable about the procedures you follow on investigations of this nature, involving trolls. But in my mind, this should be a simple process where you find out which IP address generated the malicious email in my husband, Dr Shantanu Panigrahi's name. Please note that after a temporary pause following the arrest of my husband and removal of our IT devices, the trolls are back again on the scene, bolder and full of malice. Email have been generated in my husband's name again and sent to several addressees. Email sent to me at my Civil Service work address have been sent to my spam as our intelligent system can filter out email from trolls. So, it seems, nothing has been achieved except more problems for us to deal with.

I know that Kent police have powers to do what they did to us. But was it fair? Was it just? Believing Katrina Sales' words over ours and making us suffer is not very fair at all. My views, my husband's words were ignored and we were punished for no reason. I would try not to think that we have to put up with such humiliation and inconvenience as we are Asians. Our Home Secretary is Asian and she heads the Police Force so it can't be that! So, what is the reason behind this degrading behaviour we are subjected to?

I would like to know when our desktop, tablet and mobile phone will be returned. This is not a murder investigation and we were told by PC Nicholls on 23 November 21 that our devices could be held up to three months. You can't possibly keep them indefinitely? Our desktop is a shared family device containing photos, files and documents that are important to me, my husband and daughter. Please let me know when they would be returned. I will be happy with an email, text or an answerphone message.

Many thanks and regards,

Rashmi Panigrahi

Dear Sirs

Now that we have established that the United Kingdom is a Monarchial Dictatorship with Parliament being under the jurisdiction of the Royal Constabulary incorporating the Metropolitan Police who can investigate crimes and offences committed by the Prime Minister Mr Boris Johnson and the Home Secretary who is apparently the Parliamentary Supervisor of the Royal Constabulary is just a mouthpiece as evidenced here: <https://www.theallurementofrealityinreview.com/post/final-resolution> FINAL RESOLUTION (theallurementofrealityinreview.com) with the Consultant Psychiatrists of Mental Health Institution also an arm of the Royal Constabulary selecting individuals for incarceration in mental hospitals and for semi-detention at home on enforced psychiatric medications as evidenced here Administrative help consultation answers (4).pdf, I wish to make it clear to you that I did not give consent to my wife Rashmi Panigrahi to send you the attached letter in the post at lunchtime today: Rashmi Panigrahi Kent Police.docx.

***Last Updated: 15.24 pm (UK-Time) 5 April 2022***

*Update and Comments:*

This early morning, I applied for 3 or 4 jobs at Tesco and another at Argos/Sainsbury's: nothing has come of them.

Every action that I take has a limited span of time within which a response is needed, if they do not come Brahma-Nature interactions of rajasic, tamasic and sattvic guna consciousness interactions being such that the impermanence of reality is established. One needs to be aware of this fundamental nature in the Conception of Reality that the Vishista-advaita Sampradaya works within. No vows, no plans, no aims, no missions, no anticipations, no expectations, no desires, and no ego are the hallmarks of the practitioner's nonchalant, spontaneous and unpremeditated actions and reactions. These have proven their worth. Kent Police cannot put me on trial as the situation with the Long Catlis Road Surgery is that I am still a mental patient with paranoid schizophrenia and persistent delusional disorders so not responsible for my words and actions. Which judge in a court of law will go against the diagnosis and treatment dished out by the State's own Consultant Psychiatrist. I used to be suffering intense paranoid and delusional experiences years ago but learnt to find the way to cope with them through the yoga of self-discovery that has led to the Sampradaya being established. So from the times that I suffered loss of peace of mind, I have total Ananda now as I write this account of my realisations.

The powers that be of the State have now left me alone in such a state of affairs. Bark.com had asked me this morning whether I was still looking for a lawyer. I deleted the email as I am now in full control of my material future.

So this is how the dispute went on for 24 years. The University of Greenwich dismissed me on a disciplinary allegation of gross misconduct towards my colleagues and senior management, and with

the email sent to Kent Police I have had my say. I take the medications of risperidone, sertraline and Depakote to keep Rashmi happy and by now I am addicted to them so it will take time to wean off the medications anyway. I am not attached to my body so it is not a problem to take the medications to keep the peace. It will serve a good objective still until I find my way out of seclusion in the home to a way of life of mingling in society. No one wishes to talk to me except for idiots on LinkedIn. No one comes to my 6 websites. I have made paltry money from the sales of the 47 sBooks and the same books in print format. But I have a legacy of knowledge accumulation. It is my hope that some good will come out of it after I am no longer on Earth.

I blogged the email to Kent Police as nothing came so as to put it on record before 5.00 pm office time. <https://www.theallurementofrealityinreview.com/post/final-resolution-1> ; and tweeted, Facebooked and posted it on LinkedIn without covering comments.

Now I am all caught up!

## THE REALISATION

*Posted on Facebook and Bravemet:*

Attachment to anything derives from a delusional understanding of Reality.

When one describes himself as in Samadhi, he has lost all attachments to components and concepts in vyavaharika and exists in paramarthika the absolute reality.

There is no such thing as time, time is a man-imagined creation to put to words the ageing process in the perceived reality which is an illusion.

Everything is nothing; God is everything, So God is nothing.

---

*Update:*

In Vyavaharika, lie, cheat and do whatever is necessary to survive with my books and websites in tact. So I asked Rashmi, am I a liar or a devious person. She said 'both. You are a malicious person because you want to whack them, you want to hurt. Deceiving and lying all the time. Everything that is rotten in a person you have.

So this morning's posts had lifted up Samadhi, and that God is nothing etc. on Facebook and I even turned the photograph of Sri Krishna and Devi on our bookshelf face down to be consistent with what I was thinking. I had also joined 'Advaita Vedanta and other Advaita groups on Facebook saying that I want to learn and share in them. But by late evening of around 7.30 pm I decided that my experiences do not bear that out. This is all dharmayudha continuing even as I write in a bid to survive. I cannot get justice in the suar's courts or in the suar's Police Force. I have to tread very carefully, never to ask for Judgment even if Kent Police does not reply to the Notice of Issue by the deadline of 30 May 2022. If Kent Police does reply, I will keep the document for they have to produce a chargesheet to justify interrogating me and then arresting me, not keep me on my tenterhooks and terrorise me daily from the State's agents trolling me. That trolling has come to an end, it seems. Or I will send the document Kent Police produce to the International Criminal Court directly if something does come ever again. I do not care for their compensation and damages, it is reputation that matters, that is to go down as a Maryada Purushottama Bhagwan Ram, the title of my sixth book Section. So I replaced the photograph of Sri Krishna and Devi Durga back on display and will not write anything on the computer after having reverting to the book Final Resolution with the Samadhi, God, attachment entries that I put in to develop the book further if some proceedings do take place.

Then at 9.00 pm I posted on Facebook:

In Samadhi there is no Sanatan dharma, nor is there any other kind of dharma for there is nothing in paramarthika, the absolute Reality.

In Vishista-advaita Sampradaya one is ready for Samadhi when all the truths of vyavaharika have been exposed through dharmayudha.

All those calculations are now meaningless as I am thoroughly fed-up to the back teeth with the reality that is vyavaharika and have permanently stepped into Samadhi, where there is no Sanatan dharma, no ordinary dharma and no dharmnayudha for dharmayudha is restricted to the visible and experienced reality. In paramarthika reality I just move on without considerations.

These are my last engagements in vyvahraika after updating this book everywhere.

Kent Police

Dear Sir

I am anticipating considerable upheavals for all parties involved in this dispute that the Chief Constable has been served Notice of Issue on as attached: Document\_2022-05-13\_152026.pdf, with its amendment n1-eng KentPolice UpdateMay2022.pdf so before the Notice of Issue is officially deemed to have been served on Kent Police that will entail follow-up actions for both the Claimant and Defendant, I am hereby enquiring whether Kent Police will be amenable to a Meeting to discuss this matter out of court with a view to settlement out of court.

I have never ever been truly interested in damages and compensation, just what is lawfully mine, and in this regard the £55,000 severance payment due to me by the University of Greenwich for what I consider grossly unfair disciplinary procedures causing me defamation stands out, together with the issue of the return of our IT property taken away by Kent Police on 24 November 2021 for forensic examination. I do understand that the Police have a job to do, but I have protested my innocence emphatically unless Kent Police can produce to me new evidence that I do not currently have access to.

If I do not receive a reply from Kent Police before 10.00 am tomorrow 16 May 2022, I will await your decision as to whether Kent Police is going to issue an Acknowledgement of Service with will extend the period of time for your provide your reply in defence to the Court, or whether the Chief Constable will directly submit Kent Police's final reply before 30 May 2022 that is required by the Notice of Issue.

If no response whatsoever is received by me by 30 May 2022 to this email, I will apply for Judgment on 1 June 2022, In case of this eventuality, I am hereby requesting Medway County Court to inform me of the further Court Fee I would have to pay for Judgment to be entered.

#### DEFENCE STATEMENT ON HARASSMENT OFFENCE

1. I have never ever sent an email from a Remailer, Austria anonymous email account, or a Nomen Nescio Account, or some other dizum account, or another anonymous email account to anyone whether an official at a government institution, or a private individual.

2. I have received hundreds of emails into my Gmail Phone Account from people like 38 Degrees, Internet Archive, and others which did not appear in my Desktop Gmail Account.

3. I have not sent any emails that has harassed anyone from my Shanpanigrahi3000@gmail.com account: hundreds appear to have been sent to people involved with the organisation Victims of Panigrahi Association but clearly my Shanpanigrahi3000@gmail.com account was highjacked to get me into legal difficulties with the Central London County Court in respect of Claim E35YM660.

4. My shanpanigrahi@yahoo.co.uk was bastardised by trolls and criminals so I could not send out any emails from this Account and had to abandon it a year ago. Any emails sent from this account was done by Victims of Panigrahi Association associated trolls and criminals.

5. All my purposeful emails and I have sent out thousands over the past 20 years were legitimate court-associated legal proceedings in relation to ME010463, ME002953, HQ17X01773, and E35YM660.

6. Whenever a particular recipient of an email from me asked me not to send them any emails, I complied with the request unless court proceedings became prejudiced from my inaction.

7. Since I started my E35YM660 Claim against the Prime Minister and Victims of Panigrahi Association for its criminal anonymous emails to me notably from Sivaji Panesar, Marty Caine, Nitin Bhardwaj, Fritz Wueller, Cherie, Egregious\_C, and others like Ed Mulhouse and Monneka Tahir, there was a systematic attempt to have me booted out of this country to places like Pakistan, because I was bringing Kent Police in a £5 million pound damages and compensation Claim in the High Court Queens Bench Division and brought the Crown Prosecution Service to East Kent Magistrates Court on a criminal charge of perverting the course of justice and obstructing justice. That is why I considered that the UK State through its Security Services had wanted to frame charges against me of forensic or criminal nature to have me incarcerated in a mental hospital for a third time or worse to get me committed to a Trial that the County Court in Central London arranged in a Pre-Trial Hearing but I was exonerated. I told my Consultant Psychiatrist that come what may I will never leave the United Kingdom, and this is the reason that Kent Police is charging me with a concocted summons for Harassment that is not specified to leave the State room for elaboration later. This is done to protect the Central London County Court from having to pass judgment or Order to my Appeal Application which the Court would have to justify that the University of Greenwich was lawful in withholding my £55,000 severance payment.

The path of truth is not the same as truth but it leads to the truth.

The path of truth requires navigating the nuances of Brahma-Nature in its guna consciousness interactions for which dharmayudha is essential. In dharmayudha one engages tactically and this can involve one uttering lies, being deceitful and devious to enable one to travel towards Truth, for there is such a thing as the UltimateTruth which the satya-advaita yogi strives for.

Subject: Kent Police's intention to settle this Claim out of Court

To  
The Chief Constable of Kent Police, Hugh Pughesley  
Kent Police

Dear Sir

I am anticipating considerable upheavals for all parties involved in this dispute that the Chief Constable has been served Notice of Issue on as attached: Document\_2022-05-13\_152026.pdf, with its amendment n1-eng KentPolice UpdateMay2022.pdf so before the Notice of Issue is officially deemed to have been served on Kent Police that will entail follow-up actions for both the Claimant and Defendant, I am hereby enquiring whether Kent Police will be amenable to a Meeting to discuss this matter out of court with a view to settlement out of court.

I have never ever been truly interested in damages and compensation, just what is lawfully mine, and in this regard the £55,000 severance payment due to me by the University of Greenwich for what I consider grossly unfair disciplinary procedures causing me defamation stands out, together with the issue of the return of our IT property taken away by Kent Police on 24 November 2021 for forensic examination. I do understand that the Police have a job to do, but I have protested my innocence emphatically unless Kent Police can produce to me new evidence that I do not currently have access to.

If I do not receive a reply from Kent Police before 10.00 am tomorrow 16 May 2022, I will await your decision as to whether Kent Police is going to issue an Acknowledgement of Service with will extend the period of time for your provide your reply in defence to the Court, or whether the Chief Constable will directly submit Kent Police's final reply before 30 May 2022 that is required by the Notice of Issue.

If no response whatsoever is received by me by 30 May 2022 to this email, I will apply for Judgment on 1 June 2022, In case of this eventuality, I am hereby requesting Medway County Court to inform me of the further Court Fee I would have to pay for Judgment to be entered.

Yours sincerely

Legal Ombudsman

Thank you for your email

We are currently dealing with a high volume of enquiries.

If you already have a case with us, we will add your email to the file. A colleague will be in touch with you just as soon as they review your email.

If you are contacting us for the first time about a complaint, please be aware that it could be at least six weeks before you hear from us, and at that stage, we may need to ask you for more information. We thank you for your patience and would like to reassure you that our teams are working very hard to review and respond to your email as quickly as possible.

Once we have confirmed that we have all the information we need, we will write to you to let you know that we have passed your case for formal assessment by an investigator.

Please be aware that there is a considerable wait for a case to be assessed by an investigator, which varies depending on the complexity of the case. More information about the wait times will be included in the letter we send to you at the time the case is added to a queue and can also be found on our website.

If you have concerns about the wait times and feel they may detrimentally impact on you or your case, for example, because of a financial hardship or serious health concern, please let us know.

Have you complained to your service provider?

We can only investigate a complaint once the service provider has had the chance to investigate it and respond. This means you need to make a formal complaint to them first. You can find further information on our website about how to complain to your service provider, including a template complaint letter.

How to complain to us

If you have already complained to your service provider and have not received a satisfactory response, then we might be able to help. The easiest way to check if we can help you is to use our complaint checker tool on our website. Alternatively, you can send us a completed complaint form, which is available to download from our website.

We will need your completed complaint form, along with a copy of your complaint to the service provider and copies of any responses you have received from them. Please only send us copies and not original documents. You should be aware that we are also unable to accept documents from an online document storage facility such as Dropbox. Do not send us any other information until we request it.

If you need to write to us, our address is:

Legal Ombudsman

PO Box 6806

Wolverhampton

WV1 9WJ

Telephone number 0300 555 0333.

We are open from 9am to 5pm from Monday to Friday. Calls may be recorded and used for training and monitoring purposes.

Have we let you know we have passed your case for assessment?

If we have already let you know your case is awaiting assessment by an investigator, you do not need to do anything further at this stage. An investigator will contact you when they start working on the complaint. Please note that you may be waiting a considerable time before your case will be passed to an investigator. The letter we have sent to you should provide you with more specific information about these timescales. We also aim update you every three months.

Supporting you in making a complaint

On this Monday morning, no emails came by 10.00 am from Kent Police or any other emails from any one to whom the second email was sent. Nor did the telephone ring from Turning Point: so to clear my path towards publishing this book as an update, I blogged the second of the emails sent as well as tweeting, Facebooking and posting it on LinkedIn

I contacted Turning Point on Friday evening and the call was returned. I was told that the lady who I spoke to will telephone me on Monday and arrange for a counselling session at their Chatham premises to help me give up cigarettes and alcohol.

I also contacted Megan as set out also in the Britton House letter following the 4 May 2022 appointment, as follows:

Dear Megan

I have been a mental patient for 20 odd years and most recently have been cared for under secondary Care by nurses and psychiatrists at Britton House.

My most recent appointment was on 4 May 2022 and its outcome is as attached:

FrMichaelQuarm(CMHTBrittonHouse)9May2022received13May2022.docx;

FrMichaelQuarm(CMHT\_MDT\_9May2022received13May2022.docx.

I am following through with Britton House's recommendations and have contacted Turning Point who will telephone me on Monday for help and support to try and give up smoking cigarettes and drinking alcohol.

I am still trying hard to rehabilitate myself in employment and have a job interview with Sainsburys on 20 May 2022 at 09.45 am in Sevenoaks Kent. I have also applied for a job with BP at Holborough, Snodland Kent and I am waiting to hear from the company.

Please enrol me into your counselling and therapy sessions as you consider would benefit my mental health most. I have been sectioned twice into mental hospital (2004 and 2008) but have managed to stay in the Community with the support of my wife as Carer and our daughter who is good to me.

Yours sincerely

Dear Shantanu

**Name: Mr Shantanu Panigrahi Address: 3 Hoath Lane, Gillingham, Kent, ME8 0SL**  
**DOB: 8 Aug 1957 NHS No: 628 477 1487**

Thank you for attending your choice triage appointment on 4 May and sharing the following information/

Assessment type: Triage (Shantanu's number is 07967789619) Rasmi his wife also present in today's assessment. Also present in today's assessment is trainee mental health and wellbeing practitioner Adam Hodges. Shantanu consented to have Adam present.

Referrer: Police via Single Point of Access (SPoA) 28/04/2022

Reason for referral: SPoA documented that PC Evans reports that Shantanu sent an email to Medway court threatening to set fire at BP garage by throwing petrol. He has made previous threats to another big company. PC Evans reported that the police went to Shantanu's address, and he shut the door at them. He reports that he seemed very unwell and needs a mental health assessment.

Presenting problem:

Discharged from CMHT in September 2021 after a medical review with psychiatrist. Found it difficult to cope with jobs, emails that he receives, and treats them like harassing emails from trolls and he can't get much sleep, only 6 hours a night, on edge the rest of the time, very stressed, smoking cigarettes to calm his nerves.

Police are aware.

Delusions – Worry a lot about whether there is a God or demon and God making him do things. Worries he isn't doing the right thing.

Always getting into trouble with employers and unable to hold a job.

Paranoid. – has persecution complex, thinks that the state is trying to get him in legal difficulties. Previously took out a case against the prime minister Boris Johnson and then thought it was the Queen. Was fined £4000 last year for trying to take the Prime Minister to court.

Having difficulties with mental state as long as he can remember.

Drinks 4 cans a day of beer 4% volume and describes himself as chain smoking puts this to stress.

Cigarettes -10 a day. He says he is not drinking more than 4 cans of alcoholic drinks. He says he can also drink coffee a lot.

Grunting noises throughout the day Shantanu says he is singing but wife says he is grunting at home. Shouting a lot sometimes at wife and daughter.

Racing thoughts happening every day. Thinks about the consequences of what he says, he thinks there is a demon or God in his head.

Says he gets messages from God and gets the voice of God. Feels being monitored by God as he might be punished.

Paranoia reported daily and feels he is being watched. Says trolls are watching him, he feels his phone is being monitored and tracked. Says he gets defensive and tries to block the negative feelings and thoughts of the emails.

Eating and drinking well. Well supported by wife.

#### Medication:

- Depakote 500 mg gastro-resistant tablets (Sanofi), One to be taken twice a day.
- Risperidone 2 mg tablet, one twice daily as per MHT -reports this medicine is no longer effective been on this since 2004 feels its not making any positive difference.
- Finasteride 5 mg tablets, One to be Taken Each Day as per urology a/w letter,
- Tamsulosin 400 microgram modified-release capsules, One to be Taken Each Day
- Sertraline 150 mg tablets, One to be taken Each Day – morning
- Atorvastatin 20 mg tablets, One to be taken Each Day.

#### Past Medications:

Aripiprazole (had prolactin issues with this) and Quetiapine (restless legs reported).

#### Mental State Examination

. Appearance and behaviour – Shantanu appeared well kempt. No signs of self-neglect. Engaged well in the face assessment. Maintained eye contact. Forthcoming with information about his difficulties.

. Speech – calm, pleasant normal tone and rhythm.

Also having paranoia daily that God is watching him. Mood stabilisers are working as he is less irritable. Taking risperidone since 2004 and this appears to now have worn off with no effect at present according to Shantanu.

When Shantanu is on a holiday with his family he is described by wife as a pleasant, calm man and very relaxed, but when in UK he is very unsettled. He said society is complicating. He describes himself as a secluded person.

Aware of the complications of mixing alcohol whilst on medications. Given details of Turning Point as Shantanu would like professional support.

 Subject: Kent Police's intention to settle this Claim out of Court

To  
 The Chief Constable of Kent Police, Hugh Pughesley  
 Kent Police

Dear Sir

I am anticipating considerable upheavals for all parties involved in this dispute that the Chief Constable has been served Notice of Issue on as attached: Document\_2022-05-13\_152026.pdf, with its amendment n1-eng KentPolice UpdateMay2022.pdf so before the Notice of Issue is officially deemed to have been served on Kent Police that will entail follow-up actions for both the Claimant and Defendant, I am hereby enquiring whether Kent Police will be amenable to a Meeting to discuss this matter out of court with a view to settlement out of court.

I have never ever been truly interested in damages and compensation, just what is lawfully mine, and in this regard the £55,000 severance payment due to me by the University of Greenwich for what I consider grossly unfair disciplinary procedures causing me defamation stands out, together with the issue of the return of our IT property taken away by Kent Police on 24 November 2021 for forensic examination. I do understand that the Police have a job to do, but I have protested my innocence emphatically unless Kent Police can produce to me new evidence that I do not currently have access to.

If I do not receive a reply from Kent Police before 10.00 am tomorrow 16 May 2022, I will await your decision as to whether Kent Police is going to issue an Acknowledgement of Service with will extend the period of time for your provide your reply in defence to the Court, or whether the Chief Constable will directly submit Kent Police's final reply before 30 May 2022 that is required by the Notice of Issue.

If no response whatsoever is received by me by 30 May 2022 to this email, I will apply for Judgment on 1 June 2022, In case of this eventuality, I am hereby requesting Medway County Court to inform me of the further Court Fee I would have to pay for Judgment to be entered.

Yours sincerely

Mobile Phone rang at 3.05 pm. Lady from Turning Point about alcohol and tobacco abuse. She took down my details of address and phone number and asked if I was mentally ill. I said they say I have paranoid schizophrenia and persistent delusional disorders but I do not know what they are on about. She fixed a telephone appointment (my preference) for 6 June 2022 at 12.00 noon.

Dear Sir

Update:

(1) Mobile Phone rang at 3.05 pm. Lady from Turning Point about alcohol and tobacco abuse. She took down my details of address and phone number and asked if I was mentally ill. I said they say I have paranoid schizophrenia and persistent delusional disorders but I do not know what they are on about. She fixed a telephone appointment (my preference) for 6 June 2022 at 12.00 noon.

(2) I am in the process of enrolling with MEGAN CIC for a review of my mental health following the latest discharge from Secondary Mental Health at Britton House as attached: ToMEGAN(Referral from Community Mental Health Tea

For both these reasons I would not be able to submit the Full Particulars of Claim until after the outcomes of these Meetings are known, for which I am requesting a 4 month extension of time, in the first instance.

Shantanu, I've finished giving the final touches on my new story. This time it will be a new edition of Kingdom of Glory: Cold-eyed Encounter. This story and it

Dear Sebastian

Yes it is quite a story that has lasted 24 years and is really now in its final straight for Medway County Court has this afternoon confirmed to me that it has jurisdiction to consider the Injunction Application that I submitted against Kent Police as attached: n16a-engInjunctionagainst Kent Police.pdf to stop it investigating me for framed charges that are unknown in content and set up to damage my reputation.

Once the Hearing Date is announced by the Court, I will be requesting you to come on behalf of Wordpress to give evidence for my allegation that Wordpress deliberately acted as a co-conspirator of Kent Police in blocking my Blog <https://shantanup.wordpress.com> and <https://towardsknowledgeforworldconservation.com> from being available to the Court of Public Opinion that I wrote to publicise the manner in which I had been defamed and persecuted by State-organised victimisation.

It will be for the Judge to determine who specifically organised the Hate Crime on me, whether it was the Chief Constable of Kent Police or someone much higher up in the State Establishment, even perhaps the Queen of the United Kingdom. I will develop my Particulars of Claim over the next 4 months as agreed with Medway County Court.

Yours sincerely

### **18.33 pm (UK-Time) 16 May 2022**

I received an email from Co-op Job alert at just before 9.00 pm which now I take as the acknowledgment that the matter is closed. We have resolved the dispute. I remain a mental patient having to take the medications prescribed if only to keep my wife happy, and will see if I can give up smoking and drinking from tomorrow without the help of Turning Point. If they ring I will say that I have managed to give these up. I will go for my interview at Sainsburys in Sevenoaks on 20 May 2022 11.15 pm and see how I get on there.

So we are at the end of this long running saga of epic proportions and I can update this book Final Resolution.

This does mean that I have been in Samadhi mode of advaita for a very long time without realising it. It was the nonchalant, spontaneous and unpremeditated action that started as a transition from Vishista advaitic dharmayudha (Sanatan dharma) that describes advaita oneness of having no plans, aims, missions and objectives, working as I did to the idea that everything in vyvaharika is preordained and preorchestrated as part of Creation by Sri Krishna.

Now there is no need to say that I am in Samadhi as a specific elongation of Vishista-advaita staging post in my satya-advaita yogic journey.

I am just an advaitist existing in vyvaharika but appreciating that it is an illusion created by Sri Krishna's maya that we have to live under in bhakti and devotional surrender. So vyavaharika is nothing and in paramarthika Sri Krishna as God is only manifest or unmanifest as nothingness.

**So what is paramarthika dharma that governs actions in advaita non-duality: going through motions aimlessly until Mahasamadhi (cessation of existence).**

**The purpose of human life**

in Spirituality

<https://www.knowledgeforworldconservation.com/forum/spirituality/the-purpose-of-human-life>

Sri Krishna created vyvaharika (the visible and experienced reality) from His 'maya' (magic) for us humans to live to the ideal perfection of advaita (non-duality), That in one sentence is Vishista-advaita Vedanta.

Medway County Court

Dear Sirs

In the preliminary Directions of the Judge at Medway County Court on 29 April 2022 this Claim (J00ME572) was endorsed by the Court as a Money Claim as well as the injunction in the interests of justice for which the attached proceedings were issued to the Defendant with a copy sent to me in the post: Document\_2022-05-17\_084626.pdf.

The Court's email to me and Kent Police yesterday appears to reverse this Claim back to an injunction against Kent Police only to stop the Police Force interfering in my clearly lawful activities in the United Kingdom, which I would appeal against, as it is not sufficient for my purposes. I am asking for a Hearing of this Claim Form at the earliest opportunity with both parties being present at the Court so that the Notice of Issue is clarified accordingly.

Yours sincerely

Dear Sebastian

Yes it is quite a story that has lasted 24 years and is really now in its final straight for Medway County Court has this afternoon confirmed to me that it has jurisdiction to consider the Injunction Application that I submitted against Kent Police as attached: n16a-engInjunctionagainst Kent Police.pdf to stop it investigating me for framed charges that are unknown in content and set up to damage my reputation.

Once the Hearing Date is announced by the Court, I will be requesting you to come on behalf of Wordpress to give evidence for my allegation that Wordpress deliberately acted as a co-conspirator of Kent Police in blocking my Blog <https://shantanup.wordpress.com> and <https://towardsknowledgeforworldconservation.com> from being available to the Court of Public Opinion that I wrote to publicise the manner in which I had been defamed and persecuted by State-organised victimisation.

It will be for the Judge to determine who specifically organised the Hate Crime on me, whether it was the Chief Constable of Kent Police or someone much higher up in the State Establishment, even perhaps the Queen of the United Kingdom. I will develop my Particulars of Claim over the next 4 months as agreed with Medway County Court.

Dear Megan

I have been a mental patient for 20 odd years and most recently have been cared for under secondary Care by nurses and psychiatrists at Britton House.

My most recent appointment was on 4 May 2022 and its outcome is as attached:

FrMichaelQuarm(CMHTBrittonHouse)9May2022received13May2022.docx;

FrMichaelQuarm(CMHT\_MDT\_9May2022received13May2022.docx.

I am following through with Britton House's recommendations and have contacted Turning Point who will telephone me on Monday for help and support to try and give up smoking cigarettes and drinking alcohol.

I am still trying hard to rehabilitate myself in employment and have a job interview sith Sainsburys on 20 May 2022 at 09.45 am in Sevenoaks Kent. I have also applied for a job with BP at Holborough, Snodland Kent and I am waiting to hear from the company.

Please enrol me into your counselling and therapy sessions as you consider would benefit my mental health most. I have been sectioned twice into mental hospital (2004 and 2008) but have managed to stay in the Community with the support of my wife as Carer and our daughter who is good to me.

Dear Sir

Update:

(1) Mobile Phone rang at 3.05 pm. Lady from Turning Point about alcohol and tobacco abuse. She took down my details of address and phone number and asked if I was mentally ill. I said they say I have paranoid schizophrenia and persistent delusional disorders but I do not know what they are on about. She fixed a telephone appointment (my preference) for 6 June 2022 at 12.00 noon.

(2) I am in the process of enrolling with MEGAN CIC for a review of my mental health following the latest discharge from Secondary Mental Health at Britton House as attached: ToMEGAN(Referral from Community Mental Health Tea

For both these reasons I would not be able to submit the Full Particulars of Claim until after the outcomes of these Meetings are known, for which I am requesting a 4 month extension of time, in the first instance.

The Chief Constable of Kent Police, Hugh Pughesley

Kent Police

Dear Sir

I am anticipating considerable upheavals for all parties involved in this dispute that the Chief Constable has been served Notice of Issue on as attached: Document\_2022-05-13\_152026.pdf, with its amendment n1-eng KentPolice UpdateMay2022.pdf so before the Notice of Issue is officially deemed to have been served on Kent Police that will entail follow-up actions for both the Claimant and Defendant, I am hereby enquiring whether Kent Police will be amenable to a Meeting to discuss this matter out of court with a view to settlement out of court.

I have never ever been truly interested in damages and compensation, just what is lawfully mine, and in this regard the £55,000 severance payment due to me by the University of Greenwich for what I consider grossly unfair disciplinary procedures causing me defamation stands out, together with the issue of the return of our IT property taken away by Kent Police on 24 November 2021 for forensic examination. I do understand that the Police have a job to do, but I have protested my

innocence emphatically unless Kent Police can produce to me new evidence that I do not currently have access to.

If I do not receive a reply from Kent Police before 10.00 am tomorrow 16 May 2022, I will await your decision as to whether Kent Police is going to issue an Acknowledgement of Service with will extend the period of time for your provide your reply in defence to the Court, or whether the Chief Constable will directly submit Kent Police's final reply before 30 May 2022 that is required by the Notice of Issue.

If no response whatsoever is received by me by 30 May 2022 to this email, I will apply for Judgment on 1 June 2022, In case of this eventuality, I am hereby requesting Medway County Court to inform me of the further Court Fee I would have to pay for Judgment to be entered.

Thank you for your email. MEGAN CIC do not offer counselling or therapy but run a programme of peer support groups for people with mental health issues. These groups are an opportunity to meet with others who may have similar mental health issues or experiences to offer support to one another. Please see the attached leaflet which lists the support we offer in Medway.

If you would like to access the groups, please let us know and we will send you the Membership Form that we ask everyone to complete.

Please let us know if you would like any further information.

Take care

Catherine

Dear Megan

I have been a mental patient for 20 odd years and most recently have been cared for under secondary Care by nurses and psychiatrists at Britton House.

My most recent appointment was on 4 May 2022 and its outcome is as attached:

FrMichaelQuarm(CMHTBrittonHouse)9May2022received13May2022.docx;

FrMichaelQuarm(CMHT\_MDT\_9May2022received13May2022.docx.

I am following through with Britton House's recommendations and have contacted Turning Point who will telephone me on Monday for help and support to try and give up smoking cigarettes and drinking alcohol.

I am still trying hard to rehabilitate myself in employment and have a job interview with Sainsburys on 20 May 2022 at 09.45 am in Sevenoaks Kent. I have also applied for a job with BP at Holborough, Snodland Kent and I am waiting to hear from the company.

Please enrol me into your counselling and therapy sessions as you consider would benefit my mental health most. I have been sectioned twice into mental hospital (2004 and 2008) but have managed to stay in the Community with the support of my wife as Carer and our daughter who is good to me.

Yours sincerely

Hi Shantanu

We just wanted to let you know that we've now filled our Online Service Colleague - Days vacancy. It may have taken us longer than we'd like to be able to review your application and we're sorry if this is the case, this could be due to the volume of applications received.

We understand this may be disappointing to hear, but please don't feel too disheartened. There may be a couple of reasons why we've not been able to progress your application this time around. This could be because;

There was a more suitable candidate for the role

We may not be able to meet your expectations around shift pattern, hours, or salary

We might have put the role on hold or decided to change what we are looking for and recruit a different role

If you are still interested in joining Asda, there are a couple of things you can do;

Search and apply for other vacancies by visiting our careers site at [Asda.jobs](https://www.asda.jobs). We're constantly adding new vacancies that may be a better fit for you

Set up a job alert to be notified as soon as a new role becomes live

We do appreciate the time you took to apply and for your ongoing interest in Asda. We wish you every success in your job search and career and hope that this won't be the last time our paths cross.

Please note - THIS IS AN AUTOMATED EMAIL – don't reply as emails received at this address cannot be responded to
